VALLEY MEMBERSHIP ACHIEVEMENT PROJECT (VMAP)

MISSION STATEMENT

The Valley Membership Achievement Project (VMAP) is a grassroots-developed project with the mission and goal of helping each Valley ensure that every Scottish Rite Brother is provided with the best possible member experience and value for his membership.

VMAP 2020 OVERVIEW

Dear Brethren,

Welcome to the Scottish Rite Valley Membership Achievement Project, also known as VMAP, for 2020! VMAP was created entirely by Scottish Rite Brethren and is designed to provide every Scottish Rite candidate, member, and leader with a useful working tool for planning and promoting a well-rounded series of Valley activities to engage and involve every member in the life and work of their Valley. In other words, VMAP is designed to help every Valley provide its members with a superior Scottish Rite experience.

VMAP is now in its sixth year of execution and has been refined and improved over that time based on suggestions and feedback from Brethren and Valleys who have participated. VMAP in 2020 works the same way as in the past, with Valleys first deciding to participate, then submitting an Enrollment Form, then going through the workbook to deciding what activities to undertake to help the Valley and Brethren, and then executing specific activities that cover the full spectrum of the Scottish Rite experience. This year, a generic Enrollment Form has been included on p. 4 to facilitate that process when submitting this Workbook. Please enter the year for which your Valley wishes to enroll.

It is important to note that VMAP is still NOT a contest or competition between Orients or Valleys, NOR is it a “report card.” VMAP is simply an opportunity for each participating Valley to challenge itself to be a more vibrant and engaged version of itself through self evaluation.

Participating in VMAP is a Valley decision and is strictly voluntary; however, we sincerely hope each and every Valley will choose to participate. Feedback received consistently indicates that every Valley that reported “embracing” VMAP, experienced marked increases in participation and enthusiasm. Feedback also shows that participation in VMAP will ultimately improve a Valley, as well as, enrich and enhance the overall Scottish Rite experience of every Valley member. VMAP will make your Valley stronger, more successful, and provide an enhanced Scottish Rite experience and value for your members.

We greatly look forward to your participation and achievements in VMAP for 2020!

Fraternally yours,

W. G. Sizemore II, 33°
Grand Executive Director

HOW TO COMPLETE VMAP

The degree work, education, and member activities of the Ancient & Accepted Scottish Rite represent the heart, soul, and product of our great International body of Freemasonry. Every brother has a right to expect that the purpose of the Scottish Rite is carried out to the fullest extent possible by each Valley, and with the quality expected of an enlightened Masonic Fraternity.

The intent of VMAP is to help each Valley carry out its service to the Scottish Rite by providing the very best experience for its members. VMAP requirements, detailed throughout this workbook, are broken into the following 11 specific Subject Areas which cover the full scope of the Scottish Rite experience:

1. Membership Retention / Engagement
2. Scottish Rite Education for Members
3. Membership Recruitment
4. New Member Engagement
5. Reunion Experience
6. Scottish Rite Education for Candidates
7. Philanthropy
8. Public Image
9. Degree Conferral Proficiency
10. Valley Leadership & Management
11. Valley Organizations

Each specific subject area contains mandatory tasks followed by a series of optional tasks from which each Valley is asked to choose and complete a specific minimum number of these tasks. These mandatory and optional tasks are designed to challenge a Valley, its members, and leaders to excel across a broad spectrum of Scottish Rite related subjects but are not to be interpreted literally. Valleys can also write in related optional tasks and any activities undertaken by a Scottish Rite Club will be credited to their parent Valley. Valleys that complete all mandatory and the minimum required number of optional tasks in each subject area will earn the VMAP Achievement Award. Likewise, any Valley that completes and turns in a VMAP Workbook, and has Positive Membership with Death statistics removed, will also earn the VMAP Achievement Award.

To complete the VMAP Workbook, either write or electronically fill in the blank spaces provided after every task describing how and what the Valley did to complete the task and what lessons the Valley learned in completing the task. Near the end of the year, sign and mail or email the completed VMAP Workbook to the Grand Executive Director.

VMAP TIMEFRAMES & DEADLINES

The VMAP achievement period covers one calendar year, from January 1 until December 31. All activities must take place during that time frame to count for achievement. The final submission of each Valley’s report must be done by February 28 of the following year.
Dear Brother Sizemore:

Please enroll the Valley of _________________, in the Orient of _________________, in the Valley Membership Achievement Project (VMAP) for the ____ calendar year.

We have reviewed the requirements and are prepared to take positive steps to improve our Valley’s overall membership experience!
